Old Business:

PER Update-The engineers gave us options last month in regards to timelines, etc. due to delays on getting the RC/GVSD Agreements signed and returned for submission. Zach visited with Jason last week relative to a conversation he had with Katie. Thune's office has contacted Katie to get the wheels in motion; get the necessary information needed to complete the PER so it can be submitted.

Once the PER has been submitted and RD approves the PER, GVSD will de-obligate RD funding, but funds from DENR and WR Water District can be re-obligated to GVSD. Once RD obligates funding, we are locked in.
